2. Date of purchase
3. Door size, style, and machining specs.
4. All pertinent contact names and phone numbers
5. Detailed explanation of defect

### Inspection requirement:

Doors that are pre-machined at our factory should be checked against the frame, in which they are to be installed, for correct machining prior to installation.

**INSTALLATION OF ANY PRE-MACHINED DOOR SHALL CONSTITUTE ACCEPTANCE.**

### Notice requirement:

Since American Building Supply cannot control the handling or exposure of doors following receipt, a specific duty of inspection is imposed upon the purchaser as a condition precedent to any claim. Such inspection must be made upon receipt of goods. Should a manufacturing defect be discovered, a written notice of the claim must be received by American Building Supply within 15 days of receipt of the goods or, in the event of a latent defect, from the date that such defect was, or should have been discovered. It will be the responsibility of American Building Supply to determine the most efficient method to remedy such defect. Any repairs authorized or performed by any party, other than American Building Supply, are not covered by our sales agreement and are not the financial responsibility of American Building Supply.

**NO CLAIM SHALL BE HONORED UNLESS THE PROPER NOTIFICATION, AS OUTLINED ABOVE, HAS BEEN RECEIVED.**

## FREIGHT CLAIMS:

1. **RECEIVING DOORS:** ALL doors must be inspected at the time of delivery - OR - the bill of lading must be marked as "subject to inspection".
2. **MARK YOUR BILL OF LADING:** If there is freight damage the bill of lading must be marked, as "DAMAGED" and the quantity of doors damaged must be listed. EXAMPLE: "5 doors damaged".
3. **SHIPMENTS CAN BE REFUSED:** doors can be refused - however the bill of lading must be marked as "refused - damaged".
4. **DO NOT SCRAP DAMAGED DOORS:** the freight company representative typically on site inspects freight claims of over \$500.00.
5. **FILING A FREIGHT CLAIM:** For complete reimbursement - you or your "receiving agent" must file freight damage claims against the freight company.

### You will need the following:

- **A copy of the bill of lading** - marked as above.
- **A quote from us** for the replacement of new door(s) - including crate & freight.
